Financial Aid

Our philosophy includes the concept that NO family sincerely desiring a Christ-centered education for their child(ren) should be denied this opportunity simply because of their family's financial situation. Accordingly, we have developed a tuition grant program whereby families with demonstrated financial need may apply and receive a grant to cover the difference between the tuition and the amount they could reasonably be expected to pay. In addition, we are encouraging local congregations to provide tuition assistance to member students. FLHS is committed to ensuring that money isn't the reason you join Faith Lutheran High School.

A Faith Lutheran High School Experience

We are growing leaders for Christ. As our mission statement says, "Faith Lutheran High School of Central Texas seeks to engage young adults in a Christ-centered environment where faith and knowledge grow as one." Our mission is to share Christ's love and His message of salvation while providing the highest quality Christian education.

Faith's environment is very safe and enables students to reach their full potential. FLHS has a family feel where students have a sense of acceptance, care and compassion, as well as accountability. Faith's students feel comfortable being themselves.

The faculty and staff at FLHS are committed Christians who boldly live out their faith as they present our Texas college preparatory curriculum. Their focus is to assist our students in maximizing their God-given talents to most effectively serve Him.

FLHS seeks to educate the whole-child. We provide students with well-rounded opportunities and experiences based on sufficient student interest, which includes clubs, organizations, and athletic programs. Students will also be given opportunities to utilize leadership skills and practice service.
